“ *Bev and Family,
Very sorry to read of Dick's passing. He was one great guy. I will miss him at Dunky "D"s. We had some great conversations. I will never forget his explanation of "TNT". Just don' t ask me how to spell it. You, my friend, are one great lady and truly one that "stands by her man". Seeing how you watched over him, I know time will heal you and I hope to see you again some day at Dunky "D"s.*

“ *To the Mears family,
I first met Dick when he hired me to work at the Dalton Pharmacy when I was only 15 years old. He was a wonderful teacher, and such a caring pharmacist - working for him led me to a career in pharmacy, and I have never forgotten him and all the lessons he taught me. Keeping you all in my thoughts and prayers during this difficult time of loss.*

“ Bev & family,
Sorry for your loss. Dick was very important part of our young family
when prescriptions needed filling and were filled even at times when
the drug store was closed. Thanks for sharing this kind man with the
