“ Dear Dorothy and family. I extend my sympathy to all of you. I'll always remember Dick for his highly professional skills. He had a way of incorporating great humor with his reports and was quick to defend his clients with solid accurate facts. He had such good interests in flying model air crafts and had a special liking for the sea plane era. His knowledge of ballistics was deep accompanied by respect and responsibility. It was always such a pleasure to be with him and he is so missed. My best wishes to you and be assured how much I care. Jim Whitman, DMD
