“ *Bob was a great neighbor. I enjoyed all of our conversations and growing up around him. I was lucky to be Bobs neighbor and friend for 50 years. We were both dog lovers and our dogs thru out the years gave us more of a connection as they would play in our back yards. After his last Lab passed Bob did not replace his, as i did replace mine last year. As a puppy and up to this year {now 1} I would bring over Theo my Bluetick to visit and still give him a dog connection and Theo always got his treat which Bob taught him to catch, Thanks Bob Theo is real good at it after all the practice you gave him. My best and may you Rest in Peace. Anthony / Theo*
