Today has been a hard one my friend .I've missed you over the past winter not coming down to see the W.Palm gang.The memories I have of you riding through the roads of NoHo and Hadley on a brisk spring day are never forgotten.I have never felt so free.Going to the Stafford swap and coming. back with stuff that most people would think was junk for your sporty I got you.I'm not sure why today is anymore difficult than any otherMaybe you are seeing my struggles and are cheering me on..don't know.
