“ Rob was my first boss in my first job out of college. I would call him more than a boss but a mentor and friend. I learned a lot from him and always admired how much of a family man he was. I am late in posting this as I just heard about this today as I live in Oregon but my heart goes out to his wife and kids. Rest In Peace my friend.

“ *Rob was an important friend and a lively presence for many years at Sacred Heart through St. Joe. While we didn't stay connected after High School, the tragedy of his loss is offset by hearing he had his own wonderful family who will carry on his wonderful qualities.*

“ My sincere and deepest sympathies to JoEllen and the family. Rob was an incredible man and I had endless respect for his abilities and loved working with him. I learned so much from him personally and his wonderful practical way of explaining things. He made me laugh and I just enjoyed his company. His family meant so much to him - he was blessed to have such a great wife and loving children.

He will be missed by so many people.
