“ Rob you was my mentor so to speak, when I was a lot manager at Nissan. It grew into a friendship and I sure will miss him . Peace and love to his family. RIP Rob, you were one of cool ones.

“ Rob and I used to ride our bikes in the Joseph St. pits. As middle schoolers we would ride the bus together. He always talked about his favorite team, the Steelers. He was always a smart guy(not because he was a Steelers fan), but I remember being amazed at how quickly he could look up words. Although our interests varied and we grew apart in high school, it was always good to catch up with Rob at the reunions. I'm so sorry for your family's loss. Rob was always quick to smile, had a knack for sarcasm, and will be missed by this middle school buddy.
