“ I know this is way late but I just learned of Bobby's passing. I was co-captain to his captaincy on the PHS swim team 1972-73. He was a great teammate and a fun-loving guy. I have thought of him periodically and fondly since graduation. I am very sad that the book is closed on eventually catching up with him. I hope his family has been able to put his passing in perspective as it seems like he made great contributions to humanity in his life.

“ I was a teammate of Bob's on the PHS Swim Team in 1972 and 1973, Bob's junior and senior years. I knew he won the Massachusetts state championship his senior year but never knew about the triumph at nationals. When I lifeguarded at Ponterrill in the summer, Bob was always happy to perform on the 3 meter board for everyone. Everyone stopped and watched. When I was a struggling breaststroker my sophomore year I still remember being amazed when this champion was the first one to explain to me after a lost race how to not get down and move on. An absolutely class A athlete and even a better man. RIP Bob.

“ Robby and I were classmates but we were also the Diving Duo of PHS our senior year. Robby's coaching, encouragement and friendship made competing along side him one of the most memorable times of my life. Peace be with you!

“ So very sorry to hear that Rob has passed away. He worked for several years with my son in a group home and was wonderful. Also saw him many times when he would come in with his pets to our office. My condolences to his family. May he RIP.
