“ *I am truly sorry for your loss. I worked with Ron at Boston Children’s and then convinced him to leave and join me at Millennium Pharmaceuticals. He was a fantastic colleague and friend and although I left Millennium and moved to California I was kept apprised of how Ron was doing by the various folks that were part of my group. I learned of Ron’s passing from friends on FaceBook.*

*I wanted you to know what a good person Ron was — hard working, conscientious, sincere, trust-worthy, and with a contagious sense of humor. Take comfort in the memories.*
