“ I remember as Rosaleen's nephew, that wherever her and Jonny moved to around the world, became our destination for a holiday, because Malachi and Anne, my mum and dad, knew you'd be welcomed, looked after and the entertainment went well into the early hours. Brussels, New Jersey, Boulder, wherever...it was just fab. She was wonderful, generous, kind, and had the patience of a saint!! Especially with our Patrick! hahaha.
No more pain..just sleep.xxx
