“ *Timmy, David and family. So sorry to see moms passing. Many memories of earliest times growing up with Gerry and your mom and dad. Both mom and dad were an inspiration to me and all of us who hung around the basement on Bull Hill Rd. Glad to see she lived a long life in her home. My condolences, Tommy Flynn*

“ My nana was an amazing woman. She was strong and resilient and always full of joy. I have many memories of her from Sunday dinners as a child enjoying her amazing meat sauce and pasta also going to the deer park with her and my papa I think back on those memories often and they always put a smile on my face. Luckily I was able to go and see her the weekend before her passing with my fiancé and 2 sons and even though she wasn't her usual up beat talkitive nana she had a radiating smile at the sight of us and that smile will stick with me forever. You will be missed nana. I love you and say hello to papa for me . ❤️ goodbye for now
