“ Russ will be missed by all who knew him. We had some good times together and with the rest of the "Chopper" crew. From the casino to some great times on the lake. Russ would always step forward when you needed a hand, he was a true friend. I am so sorry for his family but I am glad he got to know his grandson. Rest easy my friend. Go Bruins!

“ to the family of Russ, he will surely be missed. It hurts my heart to say goodbye to him knowing I won't see his smiling face again. Russ was always the life of the get-together no matter how large or how small. Always one to crack a joke and give you a good laugh. Last time I saw him I got a big hug and kiss. May you rest easy Russ, raise HOLY HELL up there my friend. Love you.
Sincerely, Dayle
