“ Oh Ryan where did you go? I love my nephews with all my heart. Ryan and I for some reason always had a special connection. We both felt it and would talk about it over the years. Music, art, beating to your very own drum. Me too! Wish you didn't have to leave so soon. We will connect again someday Ryan. I love you,
Peace,
Aunt Nancy xox

“ So so sorry for your loss to Kathy, the Fields and Horne families. Another great one taken away way to soon. It was such a pleasure having him for my assistant coach at St. Joe lacrosse. His love and passion for the game was second to none, he was a spin off of his favorite player Casey Powell. Ryan was a great ambassador of our game, especially at a time when lacrosse was a fairly new and upcoming sport to the area. It's because of people like Ryan that we have booming youth and high school programs today. Thank you kid for all you did for our game. R.I.P.

“ I had the privilege of working with Ryan when we were both at PHS. He was a gentle soul, working with special needs students and making each one feel special. Always a smile on his face and willing to work where needed. I pray he is at peace and his family will have solace in his memories. Fly high my friend.
