“ Shanasia,

Each morning when we wake, we know that you are gone and no one knows the heartache as we carry on. Our heart still ache with sadness and many tears still flow. What it meant to lose you, no one will ever know. Our thoughts are always with you, your place no one can fill. In life we love you dearly, in death we love you still . There will always be heartache and often a silent tear. But always a precious memory of the days when you were here. If Tears Could Make a staircase and heartache make a lane we walk a path to heaven and bring you home again we hold you close within our hearts and and there you will remain to walk with us throughout our lives until we meet again.

You were taken to soon before you could live your life. We will miss you everyday. U were always like a daughter to me and a sister to jaelynn
