They would light up the room when they were on the dance floor. She was Doug's co-pilot and was also the driver who had no fear of towing the camper on their many trips. She will also be remembered for her cooking and mostly her big heart.

*Doug and Family, Our hearts are full of so many wonderful memories of Sharron. She had a way of making you feel like there was nothing she would rather do than be spending time with you. She truly would light up a room with her wonderful smile. Everyone wanted to be her friend. Some of our best times were spent out dancing with Sharron and Doug. We will never forget that wonderful lady who made our lives so much brighter. We are so sorry for your and our loss.*
