“ I remember her well. She is one of the reasons I love sewing so much. I remember sitting at the sewing machine and joking with her about different things happening that day. Or in the kitchen complaining about the other students leaving messes. She was a great inspiration and a great teacher. My condolences to the family.

“ Donna and family, So sorry to hear of the loss of your ma. As our mom's roommate at Hillcrest she comforted us when we needed it. My brother George and I knew her for a short time but we knew she was a very special lady. We were lucky to meet her and her family thus making the whole experience at Hillcrest special . Take care, Nancy and George Smith
