

## Ms. Suzanne "Suzy" Leary

April 6, 1958 - July 30, 2025

Ms. Suzanne "Suzy" Leary, 67, of Pittsfield, passed away surrounded by her loving family, on Wednesday, July 30, 2025, after a courageous battle with cancer. Born on April 6, 1958, daughter of Marcel and Carol Sova Archambault, she graduated from the former St. Joseph High School with the class of 1976.

Suzy began her career at Crescent Creamery, as a customer service representative. Following that, she worked for many years at Hillcrest, where she was an advocacy access agent for those in need. Most recently, Suzy was employed by BHS, where she worked in their billing department. It was from there that she recently retired.

Among many things, she enjoyed the simple things in life. Suzy's family was always her top priority. She loved spending time by their side, seeing that each of their needs were met with nothing but love and support. She was fond of traveling with her sisters, as well as listening to live music.

In addition to her parents, Marcel and Carol Archambault, Suzy is survived by her children, Kristin Leary McCormick (Ryan) and Daniel Leary, Jr., as well as her siblings, Kelly Poplaski, Dean Archambault (Tina), Marcel Archambault (Cheri), and Cindy Adams (Dan). She also leaves behind her grandchildren, Eric Leary and Matthew, John and Mollie McCormick, all of whom she adored.

She was predeceased by her brother, Dennis Archambault, who passed away in 2014, and her great nephew, Logan White, who passed in 2008.

Suzy's family would like to extend their sincere gratitude to the staff of the oncology floor at Berkshire Medical Center, as well as to HospiceCare in the Berkshires. Their wonderful care and compassion throughout this difficult time was deeply appreciated.

“ Sue was a client of mine for 30 years. We spent every 5 weeks together, and as most people know, you share a lot of your life with your hairdresser. We celebrated the good times and I consoled and listened during the sad times. She was part of a group of clients that shared holidays and celebrated together with food and drink. They will miss her too. Sue was so proud of her family and the relationships she had with her siblings was aspirational. I am so sad for all of you and the loss you must be feeling. Many prayers and heartfelt condolences to each of you, as each of you will miss her in your own way, just as I will.

Sincerely,  
Christine Garrity

“ *Dear family of Suzy,  
I was deeply saddened to hear of your loss. I worked with Suzy at Crescent Creamery and found her to be a dedicated friend and co-worker. It is so true that she loved the simple things in life, but my fondest memories were how much she looked forward to the after-holiday parties. It was like her red carpet moment. How she loved the glamour!*

*Rest in peace Suzy.*

*Sincerely,*
