“ *Dear Gary:*

*This is Jeff Lang formerly of Richmond writing to express my condolences on the loss of your mother. I remember her very well answering the phone and from my visits to your office...and also the times we ran into each other at St. Charles. She was a lovely and polite woman, and I always envied you of the opportunity to actually work with your mom. You weren't just mother and son, but really good business partners as well. Everybody could see the closeness of your relationship, and I wish for you a return to comfort after what will surely be a period of grieving. You are a kind man and were always very helpful to me and my family. My thoughts are with you at this difficult time. My very best regards. Jeff Lang*
