

Mrs. Terry A. DiNicola

November 19, 1951 - December 23, 2024

Mrs. Terry A. DiNicola, of Richmond, passed away on Monday, December 23, 2024, just one month after celebrating her 73rd birthday. Terry was born in Pittsfield MA, on November 19th in 1951. She was the daughter of the late George and Blanche Milukas. Terry graduated from Taconic High School and later earned her associate's degree in Human Services from BCC.

For the majority of her career, Terry was employed by Consumer Advocates, where she worked as a consumer advocate, protecting the rights of consumers and educating the community about their rights and the laws. She retired after many years of dedicated service.

Among her many interests, Terry enjoyed photography and was always behind the camera to capture every memory. She was passionate about nature from her plants, flowers, and birds to butterflies; a lover of all animals. She loved dancing in the rain with her granddaughters, Mollie and Karlie DiNicola along with making fairy gardens while teaching them about every single flower along the way. Terry most cherished her family to whom she gave an abundance of unconditional love, support and admiration. She also enjoyed traveling and vacationing to her favorite place Daytona, Florida where she created many lasting memories.

Terry is survived by her beloved husband, Michael DiNicola, with whom she

celebrated 38 years of marriage on November 30, 2024.

Terry leaves behind her daughter, Tracey DiNicola of Pittsfield and her children, Mollie and Karlie DiNicola, her son Vince Villanova, his wife, Rachel Villanova of Lanesborough, and her children Jack, Brodi, and Kadi Rosier, and her son Michael DiNicola, his wife, Beth of Burlington, VT and their children Genevieve and Evelyn DiNicola of VT. Terry is also survived by two great-grandsons, Emilio and Alexander Vega of Pittsfield, all of whom fondly called her "Reina."

Forever in our hearts, Terry DiNicola, will be deeply missed.

“ *The Rowntree family, Karen and Geoff send their sincere condolences to you all! We were with Mike and Beth when he received the news of Terry's passing. Mike reminisced about his childhood and the role Terry played. He is especially sad and worried about his dad who so lovingly cared for Terry for some time and the void her death will leave for him especially. Terry and her family are in our prayers. We hope that cherished memories will sustain you as you grieve.*

“ We loved Terry as our neighbor and our friend, we have many memories of her smile, her laughter, her willingness to share her knowledge of of life. She shared many plants with me, I would come home from work and find plants she had Mike dig up and drop off to me, it was one of the many things I loved about Terry. As those flowers bloom every year I always smiled and told Mike to let her know how beautiful they were blooming. Terry had a wonderful laugh, I can still hear her and see her smile. We will miss her and think of her often. Know our hearts are with all of you.
