“ My sincere condolences to Tom's family. We were friends when Tom and Joanne lived in Florida. Tom as my "handy man" and I could call and count on him when problems arose. I was quite sad when they moved to Pittsfield, but I understood the reasons. Rest in peace, Tom.

“*Sincere Condolences for your loss Joanne.
Greatly saddened for the loss of our TXL.
We have lost one of the great ones.
Tom was a great plumber, great business partner and most importantly our great friend. It was an honor to work along side such a professional, always willing to share his talent, treasures and time with his family and friends. I don't think for me, a day goes by when in some way a past memory, experience or story of Tom's kindness isn't thought of with well-earned respect.
Truly miss my friend and mentor.*

“*Tom was a very special person that I was lucky enough to get to know at Williamstown Commons, Evergreen Unit, while visiting my mom Judy. He was always happy to see us and I never saw him have a bad day. I would compliment him on his nice shirts that he wore and he enjoyed that. He showed me his photo album a few times and it was really wonderful. His family meant a lot to him. I will certainly miss his nice smile when I go there. God bless Tom and his wonderful family.*
