“ *Dear Patti,  
May God bless you and surround you with His love, strength, support, and comfort. We will keep you and yours in our prayers. Tim courageously used his intellect, medical prowess and commitment to family to survive unknown challenges for a very long time. We will not forget his beautiful example of fortitude. A long time ago, Tim played a significant role in a family camping trip to Cape Cod when he discovered our five year old, Dave, had not made it into the car. We didn't believe him of course and called it a prank until we realized he was right.. We have many such memories of Tim in our family lore, a lot with sporting motifs. Soccer was big but SECYH and then St. Bernard's H.S., the ice, the speed, the early mornings, the road trips, the ups and downs, and some really good wins have been relived over and over again. Thank you, Tim, and God speed,

“ Patricia - So very sorry to hear of Tim's passing. He was a classmate of our daughter Jennifer at St. Bernard H.S., where our other daughters Sarah & Amy knew him & Stephen. As Ledyard residents we also were dear friends of Karen & Tom. May you know the Lord's presence with you and your children as you process your grief and move forward in your lives, keeping his memory always in your hearts.
