“ For the past 3 years, we had the privilege of being in business in the same building as Tim's restaurant in Lee. He came in to introduce himself with one of his delicious pizzas ,(The Best!!). From that day on, we enjoyed each others stories, and friendship. We will miss him very much. Our heartfelt sympathy to his family and friends. He was a great guy!

“ I first met Tim this past year when my daughter got married and he made room for the wedding party at his restaurant. What a great guy - went to school with two of my daughters and one was in the party. They had a great time reminiscing - going back to their days at PHS. My heart goes out to his family and I can't say how sad it is to lose such a great guy. Rest in Peace Timmy.
