“ You are the most amazing man I have ever known. You taught me what true love really is! I loved you since the second I saw you I knew then I would marry you. Truly blessed to have spent 15 years with my soul mate, my very best friend and my husband! We always knew what we had even when things were crazy and people thought we were crazy we knew how happy and in love we really are! I can't believe this is happening though I thought we had so many more years. I am going to be okay baby I don't want you to worry I will get through this and keep it together on the right path I know you are with me every second of the day still protecting me my hero! The last few weeks were absolutely amazing laughing and giggling acting like teenagers that just fell in love 15 years later baby we are crazily blissfully in love! I keep thinking about all we kept saying was how happy we were we got married!! And calling each husband and wife a million times a day! I am so blessed to have had my soul mate I will cherish our love and all the wonderful memories of us always! I love you Travis always and forever even when we are ghosts!! Rest easy my love be at peace you deserve it your an amazing man! Meet me in our dreams!! Love you always and forever!! ❤️ your wife You bought the cow that never changes
