“ To the Wheeler family,

Please accept my heartfelt condolences on the loss of your mother. Ronnie was an amazing nurse, and I am grateful I had the pleasure of working with her. Always with a smile on her face, she provided kind and compassionate care to all her patients. Growing up in the neighborhood with Kevin, Mike, and Sue, I also know what a wonderful loving mother she was. I don't know how she did it all, but she did. Just an incredible lady. Time to rest now, Ronnie.

“ Dear Wheeler Clan;

I first met "Ma" on the campus of Husson College in Bangor, Maine in September of 1970 and the rest - as they say - is history! In short order she became the unofficial "Den Mother" of a band of reprobates known as F-Troop. Little did I realize at the time how much her friendship would mean to me. Her sometimes gruff exterior belied a warm, loving, kind, compassionate and occasionally blunt individual who always gave as good as she got. Even though the house on Hancock Road was always full, she never threw me out...despite the fact I spent more time there than I did at my own home. Heaven knows I gave her more than enough reasons to do so! Ma was a wonderful woman and I will truly miss her.

“ To all my Wheeler ‘family’ members,

I am just heartbroken reading about Ma’s (Ronnie’s) passing ... even knowing that she lived a very full life. I cannot imagine what my life would have been like without her presence (and yours) in it during my formative teen years and beyond. What a VERY special lady to so many of us ‘lake kids!’ I pray that you will all find comfort and joy in the many cherished memories you have of this incredible human being. Thank you so much for sharing Ma with me ... I love you all.

Peace and much love, Diane (Hoop) Cleary

“ *What a wonderful lady. In 1970, when I was 17 I had knee surgery. My Aunt Ronnie worked at St. Lukes. She came in to check on me post-op. I told her I was starving and the Doctor had just cleared me for soup and clear liquids. She ordered me a chicken salad sandwich and a big piece of lemon cake. Then she stayed there while I ate it so no one would question me about it. Best Aunt ever.*

Me. Wheeler was a very strong and sweet woman and I was luck to have been able to care for her as a visiting nurse. I always looked forward to our chats!
