“ I worked with Vicki for over 30 years. We grew up at Hillcrest and then moved over to BMC after the merger. She always called me Colleenski and I always called her Vickiski. Not sure where the Nick names came from but I will always have good memories of her. We always had a good laugh and I can see her smile in my minds eye. She was an excellent nurse. I kept in touch with her through Facebook and I am devastated to learn of her passing. My deepest condolences to her family. You are in my thoughts and prayers.

I attended Sterling High with Vicki. No one could make me laugh like she did. I was saddened when she moved away and continued to miss her long after she was gone. I am grateful to have reconnected with her on FB. May she be at peace with her beloved Gary now. My condolences to her family.
