“ Ginnie and I had so much fun being together as kids. Our Moms (and Marion Hodgkins) were very close friends. Although I moved away after college, Pete Hodgkins and I got to see her a few times several years ago.

She was a super person. I still exchange Christmas cards with DiDi so she has kept me updated on your family.

Thoughts and prayers to all of you at this time ❤️

Ginnie was a light to us when we lost our Dad, she was the first through that door at Royal Plating offering up her generous hugs! Ginnie was always a delight to see come through that door, she will be remembered so lovingly and has a special place in our hearts! Our thoughts and prayers go out to all of you at this sad time. May your memories sustain you and her legacy live on! Love, Tom and Linda Barile
