“ Sad to see this . Bill was the greatest boss when I worked with him. There aren't to many that would go out of his way to support his crew like he did. For a time he struggled in life like the rest of us but never gave up. He loved his family. Although we didn't see each other often he was always in my thoughts . To his family you all took the best care for him you all are angles . R.I.P . Bill you are missed

“ I have way too many memories about Bill,I worked for Bill for fritolay and then we had our now Routes with Stateline Potato chips and after he retired he worked for me at Johnnies Variety.But My Favorite memory was in Oct of 1988 ,we were in Vermont doing a Route for a guy on vacation .We were in our hotel room and we were watching game 1 of the world series Dodgers & A's.I fell asleep and then all of the sudden i wake up to Bill jumping up and down ON MY BED in his underwear only yelling "the dodgers won the game the Dodgers won the game."That was Gibsons 3 run homer in the 9th .I will never forget all the fun I had with Bill for over 20yrs .I will miss him dearly.God bless you JoAnne and everyone.

“ Karen & extended family....you're in my thoughts. As you learn to navigate this life without him, may you find peace in the thought of him being safe & restored in the next life. May your memories bring you comfort.
