“ My name is wes Edmondson, Billy and I grew up in Creekland and CHHS. Billy was also one of the lone friends of mine who had to serve a term at the GIVE center . Billy and I shared a car pool for our entire time at GIVE. I'll never forget our rides home with Billy's mom. Even back then Billy had a unique intelligence. I'll never forge my GIVE partner, that school was tough on us.I leaned on Billy and he leaned on me.We made it outta there together. I never lost touch with Billy and saw him numerous times when he came back home from the Navy.Ill miss you buddy

“ Billy was one on the smartest AO's on the Truman and everyday was a blessing to work with someone who could light up a room the way he did. I will miss his sense of humor and the way he made each day easier for us all at work especially on deployments. I recently found out about his death and it hit me like a ton of bricks. He will always be a brother to me and my thoughts and prayers are with his family. RIP Billy you will never be forgotten bro!
