“ Words cannot even begin to express my feelings right now. Bubba had been in my life for almost half a century, and I'm having a hard time imagining my life without him. He was so much more than a Brother-in-law. All my memories of him and with him are happy ones. From him calling in the hogs (and getting thrown out of his son's football game for doing so...), doing the Chicken Dance (which was always a sight to behold...), telling the "Damn Grunts" to get the hell away from her (Trust me, I did not want those "Damn Grunts" away from me!!! They were really hot soldiers!) to "Is it Pug?"--- Bubba could always bring a smile to my face and my heart. His laugh alone could brighten anyone's day. I thank Alabama for him everyday. To the rest of the family, you are all in my prayers, thoughts and heart. With much love, "Marce"
